## “All about the care contract” online portal

Dear parents,

Welcome to our online portal!

The aim of our online portal is to make it easier for you to keep everything organised as you prepare for your care contract. Here you will find forms and documents to read. You will also find more documents to complete and return to the responsible nursery management team. These are required in order to prepare the contract. These always include:

- Admission form
- Medical certificate
- Declaration of consent: tick removal / dental preliminary examination / images and sound recordings

Thank you for your support!

We hope that you and your child have a blessed time with us.

Best wishes, the Kitawerk team

We are keen to receive feedback with suggestions which might help us to modify the documents or, if necessary, to add other documents. Please send any suggestions via email: [info@kitawerk.de](mailto:info@kitawerk.de).
